### NEW on the MS Allgäu: Reading adventures on the high seas for all the family

For all children aged between 4–8 years (naturally accompanied by an adult)! On four summer evenings, the team from the Füssen city library will be taking young story fans on a wonderful sea voyage. The MS Allgäu will set sail at 6.00 pm, taking us north over the Forggensee, and past islands, bays and forests. While the children sit and listen to an exciting or funny story, their parents and older siblings can spend an hour enjoying the fantastic Forggensee landscape bathed in the evening sun. Fares are 1 € for children and 9 € for adults.

**Dates:** 4 July, 18 July, 1 August and 29 August 2019

## The Swan Prince

The life and death of the Bavarian fairy tale king, Ludwig II continue to captivate people to this day. The Swan Prince is the first musical in the world to take place on board a ship while also including scenes on land. In summer 2019, it returns to the MS Füssen, when it will again be transforming the craft into Germany's first musical ship.

When the dusk begins, you will be transported to a wonderful musical journey full of adventure. You will be able to meet the actors and even the authors and producers, Janet & Marc, right there on board. The myths and legends of King Ludwig come to life at the lakeshore, including a magic swan and a red knight. A highlight of the land scenes is the transformation of the hydroelectric plant into a medieval Holy Grail castle.

**Dates in July:** 26/27/28/30 July 2019

**Dates in August:** 2/3/4/9/10/11/16/17/18/23/25 August 2019
